EDITORS NOTES:

Happy New Year to everyone. Best I can remember I have been editor since 2002 - that's 12 years - time has flown by. Thank you to the many people that work together to write articles and send pictures of our activities to help make our Gazette something that members want to read. I hope you will all continue to send articles that you think might be of special interest to our membership.

Let us all get out and support our new board with their plans for the new year. Start by paying your dues as soon as possible so that we can budget for our coming activities.

The first event is our Train Trip to "Old Sacramento". We will be joined by the Santa Clara Model "T" Club this year. Be sure to read the flyer and put January 19th on your calendar. Muriel

Message from our New President

Greetings and salutations from your new Board of Directors. We've taken things on a somewhat serious note so we're off to a roaring start for 2014. Your new Board of Directors had their first Board meeting on Dec 10 with the main goal of getting a head start on 2014 and of course that goal was accomplished. First outing will be Sunday, January 19, 2014 with a train trip to Sacramento for the day, followed by our annual Valentines Day brunch on Sunday Feb. 16. Our club is in very capable hands as we move onto 2014 with Eric Lundquist as Vice President and Membership Chairman, Don Azevedo Secretary, Whitney Haist Treasurer, Doug Durien Tour Chairman, Gerry Robinson Web Master, and Fred Byl Chairman of the board. Together we can conquer the world!! But..... here's the hitch, we're not mind readers so please feel free to contact any of us with any bright ideas you might have. Whether it's some kind of a tour suggestion, a local point of interest we may want to visit, guest speaker or other type of entertainment for our club meetings etc etc. More than ever we really do need your help. In case you'd like to attend, our board meetings are the 3rd Wednesday of each month and are open to everyone, stop by for a visit! With your help 2014 just might be landmark year for Bay Area Horseless Carriage Club.

Ed Archer, President.

Meet our New Member!

The BAHCC welcomes Bill Schrambling of Martinez, CA. Bill has had a life time interest in old cars but for pre-1916, he says "none yet". You can say hello to Bill at weschram@pacbell.net.

The Edwardian Era

This was a period of British history associated with the reign of King Edward VII (1901-1910). The period is characterised by its own unique architectural style, fashion and way of life, partly influenced by the fashions of continental Europe and Art Nouveau. The British class system remained very rigid throughout the Edwardian era. Economic and social changes gradually led to increased social mobility. Sections of society that had been largely excluded from politics, such as common laborers and women, also became increasingly politicised. (From History Today - a glossary of historical terms)

Please send to Whitney Haist, 12 Sunrise Hill Road, Orinda, CA or haist2@comcast.net if you already have one in .jpg format,

Bay Area Horseless Carriage Club

Minutes of Joint Board Meeting

Wednesday, November 20, 2013

President Byl called the meeting to order at 8:22pm, at the Brass Door Restaurant in San Ramon.

Sunshine: Whitney Haist reported that his wife Diane underwent knee replacement surgery earlier in the month and is recovering nicely.

Don Azevedo reported that his mother, club member Genelle Azevedo, is recovering from a fall she took earlier in the month. Don added that Genelle is doing great and should return home within a few weeks.

Treasurer's Report: Treasurer Whitney Haist explained that he has an extensive report prepared for the January Board Meeting.

Tours & Authenticity: Don Azevedo reported that there are 12 cars signed up for the Holiday Mystery Tour scheduled for Sunday, November 24th. Mike Lawrence added that the tour will visit the Sunol Water Temple, the historic town of Niles, and stop for lunch in Fremont where Seniors from a nearby retirement home will visit with the tour and enjoy the antique cars.

Holiday Party: John & Carolee Morrison reported that sign-ups for the Holiday Party are low, and that they are concerned for the future of the event. Attendance over the years has been waning and John remarked that at some point, the party will not make sense financially.

A long discussion commenced about the future of the Holiday Party. There was talk of coordinating next year's party with the Santa Clara group's party, or to combine the party with the AACA party already scheduled to take place at the Haist Residence in Orinda. A member present raised a motion to hold a vote whether to continue or cancel the Holiday Party, as it currently exists. A vote was taken. Members present voted to cancel the Holiday Party. Whitney & Diane Haist graciously invited fellow members to join them and the AACA at their Carriage House in Orinda on December 15th. Don Azevedo thanked John & Carolee Morrison for their years of service and dedication to the Holiday Party. (*much applause*)

2014 Board: Don Azevedo nominated Ed Archer to lead the club for next year. Whitney Haist seconded the motion. Ed Archer was unanimously elected President of the BAHCC for the year 2014. Other current Board Members to remain included Don Azevedo, Fred Byl, Whitney Haist and Eric Lundquist. Doug Durein and Gerry Robinson will be joining the Board for 2014. Fred Byl thanked Mark Cerruti and Mike Lawrence for their service to the club. (*much applause*)

Fred Byl made a motion to adjourn the meeting. Mark Cerruti seconded the motion. The meeting closed at 9:02 p.m.

Respectfully submitted,

Mark Cerruti, Secretary
