Editors Notes:

Our Pumpkin tour was a great success and the weather continued to be delightful for touring and visiting the pumpkin patch. Be sure to see the article and pictures from this wonderful family event. The Lundquist's were especially delighted to be surrounded by 5 of their 7 grandchildren at the Pumpkin patch. In fact the “kids” old and young alike were not willing to leave with the rest of the tour group and continued to play, in the corn, finding it fun to bury each other with only heads above the massive playpen of corn. Two of the children had arrived the day before from New Zealand where they live, for a three week visit with Grandma and Papa. Spending the day with their cousins was very special.

As the year and holidays are closing in on us we are reminded of the events still on our calendar. The Potluck will be held at our next meeting, see flyer for details and what food to bring. Next will follow our holiday tour the weekend after Thanksgiving. See flyer for details. We will have our traditional holiday party on the second Wednesday of December. The format is a bit different this year with no gift exchange, but rather gift giving to children. Please carefully read the announcement and hear the details of what gifts will be appropriate for giving to the children.

Our Piedmont facility will be closed for remodeling beginning in January. We will continue to meet close by and John Morrison has provided the details in this newsletter as well as a map.

May you be blessed with a healthy and happy Thanksgiving with family and friends.

NOVEMBER PRESIDENTS MESSAGE

Last Saturday BAHCC members visited the Pumpkin Farm in Livermore, arriving just as they opened at 10AM. This is truly an event for the kids. Five of our seven grandchildren tromped through the maize, picked out pumpkins, and went into the “corn bin” where they covered themselves to their eyeballs in corn. There were even corn kernels in their diapers. But what fun and great photos which are in this months Gazette.

At our November meeting we will be voting on the new BAHCC Board of Directors. John Morrison is up to rejoin the board while Gerald Robinson’s will be retiring from the board with everyone else willing to remain. John is most known for his enthusiasm, knowledge and wisdom, and also also Carolee is always willing to offer her help and support.

Please check out the November potluck dinner flier. This is always a good evening, and we look forward to seeing you there. Ham is “on the house” supplied by Carolee and John Morrison.

Our Christmas Party will be at the Piedmont Community Center, see flier. Returning to entertain us during dinner is Ron Sparzo, an incredible Tyros 4 keyboardist who entertained us last year. This year your gifts are being donated to the children, so please check the flier for details. Santa and his helper will be there.

Our tour director is planning an outing after Thanksgiving, details are still in the drafting stage but a flyer is included so that you can begin to make plans for the tour.

Whitney Haist our treasurer says we should end up in the black this year, which is excellent. He is recovering from a detached retina, and hopes to be better soon.

All the other Board members wish you a Happy Thanksgiving and Holiday season and thank you for your support of the BAHCC activities this year.

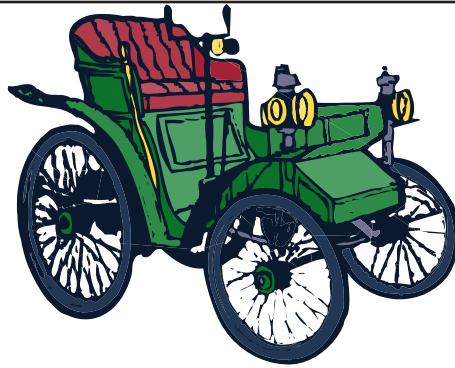

Eric Lundquist

New BAHCC Member

I have known **Jim Lukash** for the last few years with my involvement in the Santa Clara Model T Ford Club. We first met when our club had cars at the Maker’s Faire in San Mateo. I remember Jim enthusiastically telling me he liked our old cars. He soon found and bought a restored 1913 Model T touring and joined the Santa Clara Model T Ford Club. Jim has jumped in and become very active in many club activities. Recently Jim inquired about joining our BAHCC as he was already a member of the National HCCA. I provided an application and our BAHCC Board approved his application. Jim and his wife Leslie have a 7-year old daughter, Olivia that thinks the Model T is her car. She loves going on tours. Jim and his family live in Palo Alto. You will enjoy meeting Jim and his family as Jim’s smile is very contagious. Welcome Lukash family!

Magneto Daze...

While some members were looking at fantastic rusty bits and other old things in Hershey, the 'big' boys got down to real Nuts & Bolts at the Alff's garage. Three generations of the Dunlap family, Bill Cassidy, Bill Austin and yours truly were ready to work. It was a lightly overcast morning but quite comfortable.

Bill is building a 1912 Model T Town Car. So he brought the car's Model T block, field coil, flywheel and transmission in pieces for installation. New pistons and rings were already in place on the crank. Our job was to make sure that the magnets were properly gapped when everything was assembled. Although we were expecting difficulty, everything went quite easily after a few adjustments.

So we scratched our heads and wondered what to do next? Well, let me tell you something, it sure isn't hard for guys to start chatting cars while waiting for lunch. And the world was lucky too – we solved everything we could think of in short order. Amelia and Itsaso arrived on the scene with chicken and goodies. Table clothes were spread and we quickly chowed down as the sun broke out. After lunch we went for a spin in Jon's Buick, which – let's boast – started on the third crank! A good day indeed...

Re: Hershey Board Meeting, Fall Board Nominees, 2015 Publication Awards Program Deadline, Capital Investments, New Tour Book Library Policy
Issue: 2015-10-19 #09

- **2015 Hershey Flea Market, PA** – The HCCA tent was opened on Wed to give members the opportunity to meet other members and the National directors. Over the three day event many members stopped by. Great time and friends. Want to thank any members that helped.
- **Hershey Board Meeting** – On October 6th the HCCA Board of Directors held their 3rd meeting of 2015 and the new items were discussed ...
 - > Mailed 2015 Roster to members;
 - > Website updated to mobile friendly format;
 - > Establish policy for new additions to Tour Library;
 - > Plan to give members access on web site to HCCA documents and information ...Marketing, Reports, Membership, Handbooks, Policy, Guides and Orientation
 - > Annual Convention and Tours, April 3-8, 2016 Brooksville, FL “*Swarm to BEE Warm*” ... For more information, Steve Cook ...www.HCCAFL.org.
- **HCCA Board Nominations** - This year the slate of 7 nominees for the Board of Directors Class of 2016 are (in alphabetical order) –

Bob Bailey; Steve Cook; George Dorris III; Bob Ladd (I); Chris Paulsen (I); Don Plumb; Steve Rinaldo ...

Sorry about the incorrect information in the last issue of the HCCA National News ...
Seems we forgot to send the ballots out with the Sept/October issue of the Horseless Carriage Gazette. So keep your Sept/Oct issue of the Gazette handy with the nominee information until the ballots are mailed out to the voting members (got mine today). To validate your ballot, you have to vote for 5 candidates and return your ballot to the auditor by December 15. Remember that each vote counts.

- **Publication Award Program** - As part of the effort to improve communications the HCCA Communication Awards Program was created and enhanced to recognize the efforts of newsletter editors, website webmasters and their

efforts to produce the highest level of communications to their respective members.

It is now time to notify the Chairperson of the Regional Group Publications, Kathie Conrad, if you wish to have your newsletter, website, etc. judged as part of the Awards Program. Please notify via email to Kathie Conrad at MiataKath@aol.com if you wish to have your materials considered as part of the judging process. The request must be in writing and sent to Kathie at the above-mentioned email address. Email to Kathie at least 3 copies of your newsletter, etc. to be used in the judging process. The deadline for consideration is **November 1, 2015**. If there are any questions, please contact Kathie Conrad via email or at 215-872-9725.

- **Capital Fund Investments** – Since the HCCA is now classified as a 501-C7 non-profit organization and does not have a tax status issue, the Board of Directors is looking to move some capital investments to longer risk safe higher rate investments. During period that the tax status was in question, investments were kept liquid pending the resolution of any tax liability. With the issue behind us, steps are being taken to improve the management of investments. A new finance committee was formed in June to look in to the options to get a better return while minimizing the risk.
- **New Tour Library Book Policy Coming** - Each tour submitted will generally not be older than 10 years when submitted. – A Tour summary page must be completed outlining the tour day information and the tour day directions scanned into a public domain format (PDF). When the function is added to Tour Library web site a notice will be sent out to all Regions and Registries.

HALLOWEEN TOUR

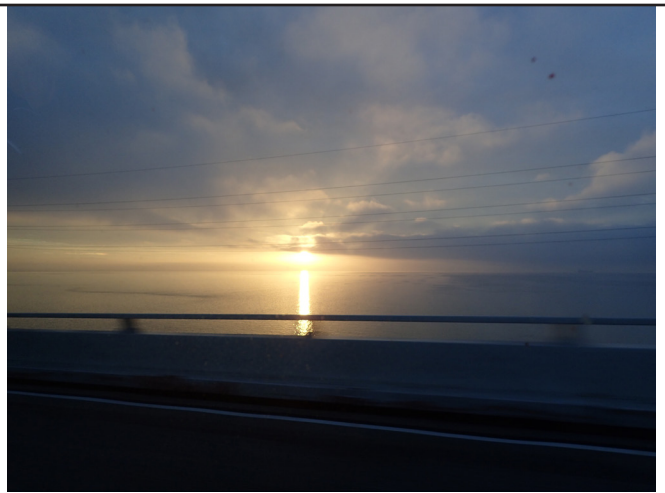

OCTOBER 24, 2015

For a day that started out overcast and chilly, Saturday, October 24, 2015 turned into a very nice, comfortable day. Members and friends of the BAHCC gathered at the Bollinger Canyon Park and Ride in San Ramon at 8:00 a.m. One member, Paul Chabot left his home in Alameda at first light and drove to San Ramon in time for hot coffee and yummy donuts. His 1915 Saxon made the trip without a hitch.

From the Park & Ride lot, we traveled 14.7 miles through mostly residential, four-lane streets until we reached our destination, G & M Farms on East Airway Blvd. in Livermore. With the exception of a ¼ mile stretch of Saturday Road Work, the tour was uneventful.

We arrived at G & M just as they were opening. There we shopped for pumpkins and gourds and enjoyed the petting zoo, the pumpkin patch and the ever-popular corn pit which is a sensory experience for young and old alike. The pit is filled with feed corn about a foot deep and playing in it resembles the relaxing sensation of running your fingers through the sand at the beach. (Just like sand, the feed corn will be with you the rest of the day in the most inconspicuous places). G & M provides a fleet of Radio Flyer wagons for the little tykes to pull out to the pumpkin patch to retrieve their choice of pumpkins. There is also a tractor-pulled train for the little ones to ride. In addition to the antiques, we had participants in modern cars (Lundquists) whose family member, Carolyn and her children, from Hamilton, New Zealand had arrived just the night before the tour. Those younger family members made good use of all the attractions at G & M Farms.

Upon leaving the farm, we traveled back to San Ramon Valley Blvd. to Forest Home Farms. There, one can step back in time at this 16-acre park which was donated to the city of San Ramon by Ruth Quayle Boone, in honor of her late husband, Travis Boone, a direct descent of Daniel Boone. Mrs. Boone's vision was to preserve Forest Home Farms in perpetuity so the people in the area could enjoy the beauty of this bountiful land that had sustained families for generations. During its hay-day, the farm was a walnut-processing center from the early 1930s. The family had weathered the great depression with the sale of their crops and had employed many from the area. The property, now part of the National Register of Historic Places, as well as the California Register of Historical Resources, features two historic houses (the 22-room Dutch colonial Boone Home where the family had resided, and the Glass House). There is also

a Tractor Museum, many barns for horses, sheep and the all-important blacksmith. At this time there is an effort by the San Ramon Historic Foundation to restore an old, 1850's barn.

Our club displayed several Horseless Carriages, including a 1910 Buick, owned by Ed & Carolyn Harley, a 1913 Buick, owned by Jon & Amelia Alff, whose guest, niece Ijsaso was visiting from Spain. Charles Ebers drove his immaculate 1912 Ford mother-in-law Roadster and Ed & Karen Archer drove up from Hayward in Casey, their 1915 Ford Race Car. Don & Joyce Azevedo and guests Alex, Jessica and Santana participated in their 1914 Model T Touring car and Bill and Kaaren Brommer drove to San Ramon in their faithful 1926 Ford Coupe. Johnny & Christine Crowell rolled up in a beautiful 1936 Packard, V-12 Phaeton. Many members of a local Packard Club were there with their beautiful cars as well. We picnicked in the barn and took some tours of buildings and houses before departing the farm that day. We also had opportunity to visit with Mark and Veronica Cerruti and their children, George and Samantha who had joined us there.

A HOLIDAY COLUMN ESPECIALLY FOR THE LADIES OR THE COOKS IN THE FAMILY. ENJOY!

HAVE YOU EVER WONDERED WHAT TO DO WITH THAT BIG LEFTOVER PUMPKIN THAT YOU NEVER GOT AROUND TO CUTTING INTO A JACK O LANTERN? HERE IS ONE WAY TO BE CREATIVE AND ENJOY A GREAT MEAL.

MURIEL HAS BEEN MAKING THIS FOR YEARS AND EVERYONE IN THE FAMILY SEEMS TO ENJOY THE FLAVORS.

Stuffed Pumpkin

No one seems to think of having pumpkin except in a pie. Try this recipe and be surprised-- it is as good as the best squash and the presentation is beautiful.

- | | |
|--|---|
| 1 small whole pumpkin
about five pounds | Freshly ground pepper to
taste |
| Boiling salted water | 2 cloves garlic, mashed |
| 2 tablespoons salad oil | 3/4 cup seedless raisins |
| 2 pounds ground beef | 1/3 cup sliced pimiento-stuffed
green olives |
| 1 large onion, finely chopped | 2 teaspoons capers |
| 1 medium green pepper,
finely chopped | 1 8-ounce can tomato sauce |
| 2 teaspoons salt | 1/2 cup red wine |
| 2 teaspoon oregano | 3 eggs, beaten |
| 1 teaspoon vinegar | |

Preheat oven to 350 degrees. With a sharp knife, cut a circular top about 5 inches in diameter out of the pumpkin. Save the top to use as a lid. Scoop out pumpkin seeds and scrape inside of pumpkin clean. Place it in a large kettle and over with boiling salted water, cover kettle. Bring water to a boil, lower heat, and simmer for about 30 minutes until pumpkin meat is almost tender. The pumpkin should still be firm enough to hold its shape well. Carefully remove from water and drain well. Dry the outside and sprinkle a little salt on the inside. Set aside. In a heavy skillet with a cover heat salad oil. Add ground beef, onion, and green pepper, cook over medium high heat until beef is browned and crumbly. Remove from heat and add salt, oregano, vinegar, pepper, and garlic. Stir in raisins, olives, and capers, then gradually add tomato sauce and red wine. Cover skillet, return to heat, and simmer for about 15 minutes, stirring occasionally. Cool slightly and add beaten eggs, mixing thoroughly. Fill cooked pumpkin with meat stuffing, pressing to pack firmly. Cover loosely with pumpkin lid and place in a greased shallow baking pan. Bake for 1 hour. Allow to cool for 10 to 15 minutes before serving. To serve, carefully lift stuffed pumpkin onto a serving plate. Slice from top to bottom in flat wedges, spooning more meat filling onto each slice. Serves four to six.

BAHCC Board Meeting Minutes

The BAHCC Board met at Fred Byl's home on September 16, 2015. The meeting was called to order by President Eric Lundquist at 7:45 P.M. with all Board members present except Gerry Robinson and Bill Schrambling.

Minutes: The minutes to the June Board meeting were read by Secretary Don Azevedo. The minutes were approved as read.

Treasurer's Report: We have had no recent banking activity. We project with the planned expenses that our treasury at year's end will be ahead of last year's amount in the bank.

After discussion Eric moved to give a \$200 honorarium to the one-room school house in San Ramon that the club visited during the Blackhawk Cars and Coffee event lead by Ed Harley. Jon seconded the motion which passed.

Ed proposed the Club help financially on the construction of the teeter-totter ramp that will be used at Casey's Birthday Party. The main ramps and all labor have been donated, but there is a out-of-pocket expense of \$400. The ramp would be owned by the Club. Fred moved and Jon seconded the Club spend \$400 on the ramp. Motion passed 3 to 2 with 2 members abstaining.

Tours and Activities:

Ed reported on the plans for the Casey Birthday Party and Field Meet. Over 30 cars are expected.

Don reported on the plans for the Pumpkin Tour for Saturday, October 24th.

Whitney will be the tour chairman for the annual Holiday Tour typically on Sunday after Thanksgiving. Whitney will solicit help from fellow Board members and members at large if needed.

Nuts and Bolts: Jon will sponsor the October Nuts and Bolts and will announce the details at the October club meeting.

Health and Welfare: Joyce Azevedo and Nancy Byl are having surgeries on their feet. Otherwise all members are healthy.

Web Site:

Jon Alff discussed the current situation with the web site. The upgrading is looking great; however, there are some glitches with certain web site pages or communication with some computers. Jon proposed the Club hire Hardik Bhatt to work on the web site problems and perform minor maintenance for a short time. This was agreeable to the Board allocating at least \$500 and up to \$1,000 for this work. The Board recognizes Jon's hard work on the web site.

Gaslight Gazette: Muriel asked for newsletter contributions to be sent to her by September 22nd. Ed said he would really like the Casey Birthday Party Field Meet story and photos to make it in the September newsletter. Muriel will save space for the story.

Membership Report: The Board discussed the procedures we need to follow with new members to properly enfold them into the Club. Each Board member will receive a copy of the application. The membership chairman will send a letter outlining customary activities or procedures. An existing member will be asked to stay in contact with the new member to explain our traditions and provide encouragement. Whitney has sent letters to new members John and Linda Pearson and Vince O'Brien. New members need to be added to the membership page on the web site as this is the mailing list for the newsletter. Name badges are also needed to be provided.

Authenticity Report: No report.

Old Business:

Whitney is still in need of the Club's incorporation papers that the State is requesting. Bill Schrambling is assisting Whitney on the State's request.

We need to provide a DVD to the person that gave the club the film of old Horseless Carriage Club tours. Eric has the DVDs and will send it to the person.
